

NEW STUDENT REFERRAL CREDIT FORM

NEW STUDENT REFERRAL PROGRAM DETAILS:

The Golden State Academy greatly appreciates all of the referrals and positive word of mouth it receives from its students, parents, and friends of our program. To show our appreciation, we offer a Referral Credit to all *students or parents that are currently enrolled (whether new or returning student)* that refer an individual/organization to our program. We offer a \$125 credit for referring students that join any of our “Competition Classes,” and a \$75 credit for students enrolling into “Elementary Classes or summer classes.”

INSTRUCTIONS:

In order to receive your referral credit as the “Referring Party” please follow the steps below.

1. Print out this form & complete the top half of the section labeled “REFERRING PARTY” below.
2. Have your New Referral complete the bottom section labeled “NEW REFERRAL” & **submit this form along with their tuition payment to The Golden State Academy** after they receive their Tuition Invoice. If form is not submitted, you are not eligible for the credit. *No verbal referrals will be considered for the credit.*
3. 4-6 weeks after classes have started and to ensure that people are not simply joining and dropping out of our class, we will verify the information above and either cut a check or issue a refund online. We may also ask you if you would like to use it as credit for future expenses
